

# Michigan Foster Care Determination of Care (DOC)\* Supplements

Fiscal Year 2017-18 through 2022-23

Foster parents or relative caregivers who are completing additional tasks to meet a foster child's needs are eligible for a Determination of Care Supplement (DOC). This supplement is justified when extraordinary care or expenses are required, determined through the completion of a DOC rate form for every child placed in a paid foster home or relative placement.

Determination of care supplement per day amounts: Ages 1 day to 12 years of age: Level I \$5, Level II \$10, Level III \$15, Level IV up to \$80; Ages 13 years of age to 18 years of age: Level I \$6, Level II \$11, Level III \$16, Level IV up to \$80; Medically fragile: Level I \$8, Level II \$13, Level III \$18, Level IV up to \$80
