(c) Review and verify all necessary information to ensure the grant recipient is reasonably able to execute the grant agreement, perform its fiduciary duty, and comply with all applicable state and federal statutes. The department may deduct the cost of background checks and any other efforts performed as part of this verification from the amount of the designated grant award.

(d) Disburse the grant money per the grant disbursement schedule in the executed grant agreement on a reimbursement basis after the grantee has provided sufficient documentation, as determined by the department, to verify that expenditures were made in accordance with the project purpose.

(e) If the state budget director determines that information provided by the grantee does not meet the disclosure requirements, that the grant will be used to pay a tax lien, delinquent tax, or other obligation owed to this state, or that the grant will create a conflict of interest, the department shall not release the grant money to the grantee. Money that is not released under this subdivision lapses at the end of the fiscal year. There is not a conflict of interest if the sponsoring legislator certifies that the sponsoring legislator's immediate family members, legislative staff members that have worked for the sponsoring legislator within the past 2 years, and the sponsoring legislator do not have a direct or indirect pecuniary interest in the legislatively directed spending item.
