PART 2

PROVISIONS CONCERNING APPROPRIATIONS

FOR FISCAL YEAR 2025-2026

GENERAL SECTIONS

Sec. 201. In accordance with section 30 of article IX of the state constitution of 1963, for fiscal year ending September 30, 2026, total state spending under part 1 from state sources is \$828,771,100.00 and total state spending under part 1 from state sources to be paid to local units of government is \$37,371,900.00. The following itemized statement identifies appropriations from which spending to local units of government will occur:

DEPARTMENT OF STATE POLICE

In-service training	\$ 10,616,900
Justice training grants	10,000,000
Law enforcement communication training	500,000
Michigan public safety critical incident mapping grant	400,000
Secondary road patrol program	15,000,000
Training only to local units	855,000
TOTAL	\$ 37,371,900

Sec. 202. The appropriations under this part and part 1 are subject to the management and budget act, 1984 PA 431, MCL 18.1101 to 18.1594.

Sec. 203. As used in this part and part 1:

- (a) "AFIS" means the automated fingerprint identification system.
- (b) "CJIS" means Criminal Justice Information Systems.
- (c) "Department" means the department of state police.
- (d) "DHS" means the United States Department of Homeland Security.
- (e) "Director" means the director of the department.
- (f) "DNA" means deoxyribonucleic acid.
- (g) "DOJ" means the United States Department of Justice.
- (h) "DOT" means the United States Department of Transportation.
- (i) "FTE" means full-time equated position in the classified service of this state.
- (j) "IDG" means interdepartmental grant.
- (k) "LEIN" means the law enforcement information network.
- (l) "MCOLES" means the Michigan commission on law enforcement standards created in section 3 of the Michigan commission on law enforcement standards act, 1965 PA 203, MCL 28.603.
- (m) "SIGMA" means the statewide integrated governmental management application.
- (n) "SRMS" means the state records management system.
- (o) "Standard report recipients" means the senate and house appropriations subcommittees on state police, the senate and house fiscal agencies, the senate and house policy offices, and the state budget office.

Sec. 204. The department shall use the internet to fulfill the reporting requirements of this part. This requirement includes transmitting reports to the standard report recipients and any other required recipients by email and posting the reports on an internet site.

Sec. 205. To the extent permissible under section 261 of the management and budget act, 1984 PA 431, MCL 18.1261, all of the following apply to the expenditure of funds appropriated in part 1:

(a) The funds must not be used for the purchase of foreign goods or services, or both, if competitively priced and of comparable quality American goods or services, or both, are available.

(b) Preference must be given to goods or services, or both, manufactured or provided by Michigan businesses, if they are competitively priced and of comparable quality.

(c) Preference must be given to goods or services, or both, that are manufactured or provided by Michigan businesses owned and operated by veterans, if they are competitively priced and of comparable quality.

Sec. 206. The department shall not take disciplinary action against an employee of the department for communicating with a member of the legislature or legislative staff, unless the communication is prohibited by law and the department is exercising its authority as provided by law.

Sec. 207. Consistent with section 217 of the management and budget act, 1984 PA 431, MCL 18.1217, each department and agency receiving appropriations in part 1 shall prepare a report on out-of-state travel expenses not later than January 1 of each year. The report must list all travel by classified and unclassified employees outside this state in the previous fiscal year that was funded in whole or in part with funds appropriated in the department's or agency's budget. The department or agency shall submit the report to the standard report recipients and to the senate and house appropriations committees. The report must include all of the following information:

(a) The dates of each travel occurrence.

(b) The total transportation and related costs of each travel occurrence and the proportion funded with state general fund/general purpose revenues, state restricted revenues, federal revenues, local revenues, and private revenues, including specific sources of state restricted, federal, local, and private revenues.

Sec. 208. If the state administrative board, acting under section 3 of 1921 PA 2, MCL 17.3, transfers funds from an amount appropriated under part 1, the legislature may, by a concurrent resolution adopted by a majority of the members elected to and serving in each house, intertransfer funds within part 1 for the particular department, board, commission, officer, or institution.

Sec. 209. Not later than December 15, the state budget office shall prepare and submit a report that provides estimates of the total general fund/general purpose appropriation lapses at the close of the previous fiscal year. The report must summarize the projected year-end general fund/general purpose appropriation lapses by major departmental program or program area. The state budget office shall submit the report to the standard report recipients and to the chairpersons of the senate and house appropriations committees.

Sec. 210. (1) In addition to the funds appropriated in part 1, there is appropriated an amount not to exceed \$2,000,000.00 for federal contingency authorization. Amounts appropriated are not available for expenditure until they have been transferred to another line item in part 1 under section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.

(2) In addition to the funds appropriated in part 1, there is appropriated an amount not to exceed \$4,000,000.00 for state restricted contingency authorization. Amounts appropriated are not available for expenditure until they have been transferred to another line item in part 1 under section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.

Sec. 211. (1) The department shall cooperate with the department of technology, management, and budget to maintain a searchable website accessible by the public at no cost that includes, but is not limited to, all of the following for the department:

(a) Fiscal year-to-date expenditures by category.

(b) Fiscal year-to-date expenditures by appropriation unit.

(c) Fiscal year-to-date payments to a selected vendor, including the vendor name, payment date, payment amount, and payment description.

(2) The department shall cooperate with the department of technology, management, and budget to update the searchable website on a quarterly basis.

Sec. 212. Not later than 14 days after the release of the executive budget recommendation, the department shall cooperate with the state budget office to provide an annual report on estimated state restricted fund balances, state restricted fund projected revenues, and state restricted fund expenditures for the previous 2 fiscal years. The report must be submitted to the standard report recipients and to the chairpersons of the senate and house appropriations committees.

Sec. 213. (1) Funds appropriated in part 1 must not be used to restrict or impede a marginalized community's access to government resources, programs, or facilities.

(2) From the funds appropriated in part 1, local governments shall report any action or policy that attempts to restrict or interfere with the duties of a local health officer.

Sec. 214. To the extent permissible under the management and budget act, 1984 PA 431, MCL 18.1101 to 18.1594, the director of each department or agency receiving appropriations in part 1 shall take all reasonable steps to ensure that geographically disadvantaged business enterprises compete for and perform contracts to provide services or supplies, or both. The director shall strongly encourage firms with which the department contracts to subcontract with geographically disadvantaged business enterprises for services or supplies, or both. As used in this section, "geographically disadvantaged business enterprises" means that term as defined in Executive Directive No. 2023-01.

Sec. 215. (1) The department shall maximize utilization of its in-person state workforce. The department shall prioritize occupancy utilization of office space for each division within the department. Employees with job responsibilities that require the employees to serve in their capacities outside of an office shall be monitored each pay period to ensure all work hours reported on the timesheet were actually worked.

(2) The department shall comply with requirements set forth by the office of the state employer on in-person work and utilization and occupancy rates of state buildings to ensure in-person work is optimized and occupancy rates are 80% or higher, subject to market conditions.

(3) The department shall adhere to civil service rules and regulations that state the standard biweekly work period for a full-time employee in the classified service of this state is the equivalent of 80.0 hours of work. The department shall establish policies and processes to ensure all employees are working their jobs during agreed-upon business hours.

Sec. 216. On a quarterly basis, the department or agency receiving appropriations in part 1 shall report on the number of full-time equated positions in pay status by civil service classification, including a comparison by line item of the number of full-time equated positions authorized from funds appropriated in part 1 to the actual number of full-time equated positions employed by the department at the end of the reporting period. The report must be submitted to the standard report recipients and to the senate and house appropriations committees.

Sec. 217. (1) The department shall require as a condition of each contract or subcontract that the prequalified contractor or prequalified subcontractor agree to use the E-Verify system to verify that all persons hired during the contract term by the contractor or subcontractor are legally present and authorized to work in the United States.

(2) The department may verify this information directly or may require contractors and subcontractors to verify the information and submit a certification to the department. The department shall submit a report to the standard report recipients not later than March 1 that describes the processes it has developed and implemented under this section.

(3) As used in this section, "E-Verify" means an internet-based system operated by the Department of Homeland Security, United States Citizenship and Immigration Services in partnership with the Social Security Administration.

Sec. 218. The department must provide an annual report to the standard report recipients detailing federal policy changes that do, or are expected to do, any of the following:

- (a) Affect the operations of the department, including reductions in federal revenue.
- (b) Affect an industry, community, population, or other group regulated or served by, or that otherwise engages with, the department.
- (c) Create a regulatory gap that could negatively impact the public.

Sec. 219. The department shall receive and retain copies of all reports funded from appropriations in part 1. The department shall follow federal and state law and guidelines for short-term and long-term retention of records. The department may electronically retain copies of reports unless otherwise required by federal and state guidelines.

Sec. 220. Not later than April 1, the department shall report on each specific policy change made to implement a public act affecting the department that took effect during the previous calendar year. The report must include reference to the public act that necessitates the policy change. The department shall submit the report to the standard report recipients, the senate and house appropriations committees, and the joint committee on administrative rules.

Sec. 221. A department or agency required to submit a report under this part shall make each report readily accessible to the public and conspicuously post each required report in a single archivable location on the department's or agency's Michigan.gov website not later than the due date required for each report. In addition to placing all reports required in the current fiscal year on the department's or agency's website, the department or agency shall maintain on its website all reports placed on the website from previous fiscal years posted by fiscal year in the same single archivable location.

Sec. 222. To the extent possible, the department shall not expend appropriations under part 1 until all existing authorized work project funds available for the same purposes are exhausted.

Sec. 223. Not later than 6 months after the state budget office issues work project letters, the department shall submit an annual report that summarizes all work project accounts. The report must include all of the following:

- (a) A list of all work project accounts.
- (b) The status of all work project accounts, including amounts expended, amounts encumbered, and available balances for each account.
- (c) The amount of funds that lapsed from any previously designated work project accounts, the name and description of the work project account, and the funds that received the lapsed amounts.

Sec. 224. Total authorized appropriations from all sources under part 1 for legacy costs for the fiscal year ending September 30, 2026 are estimated at \$170,365,800.00. From this amount, total appropriations for pension-related legacy costs for the department are estimated at \$130,016,600.00. Total appropriations for retiree health care legacy costs for the department are estimated at \$40,349,200.00.

Sec. 225. Not later than April 1, the department shall provide to the standard report recipients a copy of its annual strategic plan prepared in compliance with section 363 of the management and budget act, 1984 PA 431, MCL 18.1363. The plan must include the mission, vision, goals, strategies, and performance measures of the department.

Sec. 226. The department shall report on any court settlement that may require further legislative review of state statutory programs or regulations.

Sec. 227. Not later than November 15, the department shall disclose on a publicly accessible website private and other third-party funds received by the department in the previous fiscal year. The report must include the amount of funding received, the specific source of funding received, the purpose for which funding was expended, and the amount of any remaining funds. The report must be submitted to the standard report recipients and to the chairpersons of the senate and house appropriations committees.

Sec. 228. The department shall submit a biannual report on the performance metrics cited or information required to be reported in this part, reasons for nonachievement of metric targets, and proposed corrective actions.

Sec. 229. (1) It is the intent of the legislature that the department shall take all steps necessary to protect the data and privacy of citizens who are not the focus of a departmental investigation and to protect personal information from unauthorized access or misuse. The protection required under this subsection includes, but is not limited to, all of the following:

- (a) Requiring vendors or service providers to protect data shared with them.
 - (b) Ensuring that when personal data is collected, but no longer utilized by the department, that reasonable steps be taken to securely destroy records containing personal information when it is to be discarded so that the information is rendered indecipherable and is not sold for marketing or other purposes.
- (2) The department shall provide written notification to any data subject whose sensitive personal information is accessed or acquired by an unauthorized person.

Sec. 230. (1) Not later than 30 days after enactment of this act, the legislature shall provide to the department and the state budget director a list of legislatively directed spending items, which may be referred to in this section as grants or direct appropriation grants, funded in part 1 consistent with the house or senate rules and this section. The list must include all information and documents pertaining to the funded items as publicly disclosed in accordance with the house or senate rules and this section.

(2) Notwithstanding any other conditions or requirements for direct appropriation grants, the department shall perform, at a minimum, at least all of the following activities to administer the grants described in subsection (1):

(a) Establish a process to review, complete, and execute a grant agreement with a grant recipient. The department shall not execute a grant agreement unless all necessary documentation has been submitted and reviewed.

(b) Verify to the extent possible that a grant recipient is a not-for-profit entity and will use funds as publicly disclosed and for a public purpose that serves the economic prosperity, health, safety, or general welfare of the residents of this state.

(c) Review and verify all necessary information to ensure the grant recipient is reasonably able to execute the grant agreement, perform its fiduciary duty, and comply with all applicable state and federal statutes. The department may deduct the cost of background checks and any other efforts performed as part of this verification from the amount of the designated grant award.

(d) Disburse the grant money per the grant disbursement schedule in the executed grant agreement on a reimbursement basis after the grantee has provided sufficient documentation, as determined by the department, to verify that expenditures were made in accordance with the project purpose.

(e) If the state budget director determines that information provided by the grantee does not meet the disclosure requirements, that the grant will be used to pay a tax lien, delinquent tax, or other obligation owed to this state, or that the grant will create a conflict of interest, the department shall not release the grant money to the grantee. Money that is not released under this subdivision lapses at the end of the fiscal year. There is not a conflict of interest if the sponsoring legislator certifies that the sponsoring legislator's immediate family members, legislative staff members that have worked for the sponsoring legislator within the past 2 years, and the sponsoring legislator do not have a direct or indirect pecuniary interest in the legislatively directed spending item.

(3) An executed grant agreement under this section between the department and a grant recipient must include at least all of the following:

(a) All necessary identifying information for the grant recipient, including any tax and financial information necessary for the department to administer grant money under this section.

(b) A description of the project for which the grant money will be expended, including tentative timelines and the estimated budget. Project budget must include how all grant money will be used and must indicate if any grant money will be provided to a third party or subrecipient. The department shall not reimburse expenditures that are outside of the project purpose, as stated in the executed grant agreement, from appropriations in part 1. The grantee shall return to the state treasury any interest in excess of \$1,000.00 earned on the grant money while unexpended and in possession of the grantee.

(c) Unless otherwise specified in department policy, a requirement that funds appropriated for the grants described in subsection (1) may be used only for expenditures that occur on or after the effective date of this act.

(d) A requirement for reporting by the grant recipient to the department and the legislative sponsor that provides the status of the project and an accounting of all money expended by the grant recipient, as determined by the department.

(e) A clawback provision that allows the department of treasury to recoup or otherwise collect any grant money that is declined, unspent, or otherwise misused.

(f) The documents publicly disclosed under subsection (1).

(4) If appropriate to improve the administration or oversight of a grant described in subsection (1), the department may adopt a memorandum of understanding with another state department to perform the required duties under this section.

(5) A grant recipient shall respond to all reasonable information requests from the department related to grant expenditures and retain grant records for not less than 7 years, and the grant may be subject to monitoring, site visits, and audit as determined by the department. The grant agreement required under this section must include signed assurance by the chief executive officer or other executive officer of the grant recipient authorized to bind the grant recipient that the requirements of this subsection will be met.

(6) The grant recipient shall expend all grant money awarded and complete all projects not later than September 30, 2030. If at that time any unexpended money remains, the grant recipient shall return that money to the state treasury. If a grant recipient does not provide information sufficient to execute a grant agreement not later than June 1, 2026, the department shall return money associated with the grant to the state treasury.

(7) Any grant money that is awarded to a state department is appropriated in that department for the purpose of the intended grant.

(8) Except as otherwise provided in subsection (9), beginning March 15 of the current fiscal year, the department shall post a report in a publicly accessible location on its website. The report must list the grant recipient, project purpose, and location of the project for each grant described in subsection (1), the status of money allocated and disbursed under the grant agreement, and the legislative sponsor, if applicable. The department shall update the report and post the updated report in a publicly accessible location on its website not later than June 15 of the current fiscal year and again not later than September 15 of the current fiscal year. The department shall include in the report the most comprehensive information the department has available at the time of posting for grants awarded.

(9) If the state budget office determines that it is more efficient for the state budget office to compile all affected departments' information and post a report of the compiled information rather than the report required under subsection (8) being posted by individual departments, the state budget office may compile that information across all affected departments and post the compiled report and any updates on the same time schedule as identified in subsection (8).

(10) If the department reasonably determines that the money allocated for an executed grant agreement under this section was misused or that use of the money was misrepresented by the grant recipient, the department shall not award any additional funds under the executed grant agreement and shall refer the grant for review following internal audit protocols, which may include referral for criminal investigation.

Sec. 231. (1) The department may accept monetary and nonmonetary gifts, bequests, donations, contributions, or grants from any private or public source to support, in whole or in part, a departmental function or program. The department shall expend or use the gifts, bequests, donations, contributions, or grants accepted under this subsection for the purposes designated by the private or public source, if the purpose is specified.

(2) Revenue collected by the department under this section that is unexpended and unencumbered must not lapse to the general fund but must be carried forward to the subsequent fiscal year.

(3) Private revenues received under this section that exceed the appropriations in part 1 are appropriated and may be received and expended by the department for the purposes for which the funds are received.

(4) If additional authorization is approved in SIGMA by the state budget office under this section, the department shall notify the senate and house appropriations subcommittees on state police and the senate and house fiscal agencies within 10 days after the approval. The notification must include the amount and funding source of the additional authorization, the date of the approval, and the projected use of the funds to be expended.

Sec. 232. (1) Federal revenues authorized by and available from the federal government in excess of the appropriations in part 1 are appropriated and may be received and expended by the department for purposes authorized under state law and subject to federal requirements. The total amount of federal revenues that may be received and expended under this section and section 704(3) must not exceed \$750,000,000.00.

(2) The department shall notify the standard report recipients before expending federal revenues received and appropriated under subsection (1).

(3) If additional authorization is approved in SIGMA by the state budget office under this section, the department shall notify the senate and house appropriations subcommittees on state police and the senate and house fiscal agencies within 10 days after the approval. The notification must include the amount and funding source of the additional authorization, the date of its approval, and the projected use of the funds to be expended.

DEPARTMENTAL ADMINISTRATION AND SUPPORT

Sec. 301. The department shall notify the standard report recipients when it recommends to close or consolidate any state police post. The notification must include a local and state impact study of the proposed post closure or consolidation.

Sec. 302. If the department presents a plan to the state employer to privatize, the department shall submit a complete project plan to the standard report recipients. The plan must include the criteria under which the privatization initiative will be evaluated. The evaluation must be completed and submitted to the standard report recipients within 30 months.

Sec. 303. (1) When the department provides contractual services to a local unit of government, the department shall be reimbursed for all costs incurred in providing the services.

(2) The department shall define service cost models for those services requiring reimbursement.

(3) Contractual services provided to an entity other than a local unit of government may be provided by department personnel, but only on an overtime basis outside the normal work schedule of the personnel. All costs incurred in providing the services are eligible for reimbursement.

(4) This section does not apply to services provided to state agencies.

(5) Revenues received for contractual or reimbursed services in excess of the appropriations in part 1 are appropriated and may be received and expended by the department for the purposes for which the funds are received.

(6) If additional authorization is approved in SIGMA by the state budget office under this section, the department shall notify the senate and house appropriations subcommittees on state police and the senate and house fiscal agencies within 10 days after the approval. The notification must include the amount and funding source of the additional authorization, the date of its approval, and the projected use of the funds to be expended.

Sec. 304. The department may establish and collect fees for publications, videos, conferences, workshops, and related materials. Fees collected under this section must be used to offset expenditures for costs of the publications, videos, workshops, conferences, and related materials. The department shall not collect fees under this section that exceed the cost of the expenditures.

Sec. 305. A law enforcement officer funded under part 1 shall not be required to issue a predetermined or specified number of citations for violations of the Michigan vehicle code, 1949 PA 300, MCL 257.1 to 257.923, or of a local ordinance that substantially corresponds to the provisions of the Michigan vehicle code, 1949 PA 300, MCL 257.1 to 257.923, including parking or standing violations. A law enforcement officer's performance evaluation system must not require a predetermined or specified number of citations to be issued.

Sec. 306. From the funds appropriated in part 1, the director shall establish and maintain local headquarters in various places, and may do so by agreement, lease, or otherwise, as provided under section 7 of 1935 PA 59, MCL 28.7.

LAW ENFORCEMENT SERVICES

Sec. 401. (1) The department shall develop and deliver professional, innovative, and quality training that supports the enforcement and public safety efforts of the criminal justice community.

(2) The department shall provide performance data, as provided under section 228, for days of training being conducted by the academy.

(3) From the funds appropriated in part 1 for training operations, the department may provide or obtain the following training:

(a) Training that directly relates to the individual's job description and role within the department.

(b) Professional development training.

(c) Training that provides the individual with the ability to seek expanded opportunities within the department.

(d) Advanced education training.

(4) Not later than January 1, the department shall submit a report to the standard report recipients and to the senate and house appropriations committees that includes the following information about the funds appropriated in part 1 for training operations:

(a) The training courses that the department's employees completed.

(b) If a training course is developed by the department, a description of that course's curriculum and its purpose.

(c) The number of the department's employees who have received and completed training pursuant to this section.

(5) The department shall distribute and review course evaluations to ensure that quality training is provided.

Sec. 402. (1) In accordance with applicable state and federal laws and regulations, the department shall maintain and ensure compliance with CJIS databases and applications in the support of public safety and law enforcement communities.

(2) The department shall improve the accuracy, timeliness, and completeness of criminal history information by conducting a minimum of 30 outreach activities targeted to criminal justice agencies. The department shall report the number of these outreach activities conducted, as provided under section 228.

(3) The department shall provide for the compilation of crime statistics consistent with the uniform crime reporting (UCR) program and the national incident-based report system (NIBRS).

(4) The department shall provide for the compilation and evaluation of traffic crash reports and the maintenance of the state accident data collection system.

(5) The department shall make individual traffic crash reports available for a fee of \$15.00 per incident. The department may also sell an extract of electronic traffic crash data for a fee of \$0.25 per incident, provided that the name, address, and any other personal identifying information have been excluded.

(6) By March 1, the department shall submit a report to the standard report recipients detailing the number of traffic crash reports provided, the amount of revenue collected, and all expenditures incurred for activities under subsection (5) in the preceding fiscal year. The report must include an analysis of whether revenue from department activities under subsection (5) is sufficient to offset all costs incurred for those activities and must provide information regarding any deficit or surplus of revenue.

(7) In accordance with applicable state and federal laws and regulations, the department shall provide for the maintenance and dissemination of criminal history records and juvenile records, including to the extent necessary to exchange criminal history records information with the Federal Bureau of Investigation and other states through the interstate identification index, the National Crime Information Center, and other federal CJIS databases and indices.

(8) The department shall, in accordance with applicable state and federal laws, provide for the maintenance of records, including criminal history records regarding firearms licensure, as provided under 1927 PA 372, MCL 28.421 to 28.435.

(9) The department shall provide information on the number of background checks processed through the internet criminal history access tool (ICHAT), as provided in section 228.

(10) The following unexpended and unencumbered revenues deposited into the criminal justice information center service fees must not lapse to the general fund, but must be carried forward into the subsequent fiscal year:

(a) Fees for fingerprinting and criminal record checks and name-based criminal record checks under 1935 PA 120, MCL 28.271 to 28.274.

(b) Fees for application and licensing for initial and renewal concealed pistol licenses under 1927 PA 372, MCL 28.421 to 28.435.

(c) Fees for searching, copying, and providing public records under the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246.

(d) Revenue from other sources, including, but not limited to, investment and interest earnings.

(11) Unexpended and unencumbered revenue generated by state records management system fees must not lapse to the general fund, but must be carried forward into the subsequent fiscal year.

Sec. 403. (1) The department shall provide forensic testing and analysis/profiling of DNA evidence to aid in law enforcement investigations in this state.

(2) The department shall ensure its ability to maintain accreditation by a federally designated accrediting agency, as provided under 34 USC 12592.

(3) The department shall provide forensic science services with an average turnaround time of 55 days, assuming an annual caseload volume commensurate with the average annual caseload received by the forensic science division during the preceding 5 fiscal years, and shall work to achieve a goal of a 30-day average turnaround time across all forensic science disciplines.

(4) The department shall provide the following data as provided in section 228:

(a) The average turnaround time for processing forensic evidence across all disciplines.

(b) Forensic laboratory staffing levels, including scientists in training, and vacancies.

(c) The number of backlogged cases in each discipline.

Sec. 404. (1) The biometrics and identification division shall maintain and manage the automated biometric identification system, statewide network of agency photographs, and combined offender DNA index system biometric databases.

(2) The department shall provide data on the number of 10-print and palm-print submissions to the database, as provided in section 228.

(3) The department shall maintain the staffing and resources necessary to have a 28-day average wait time for scheduling a polygraph examination, assuming an annual caseload received commensurate with the average annual caseload received during the preceding 5 fiscal years, with a goal of achieving a 15-day average wait time.

(4) If changes are made to the department's protocol for retaining and purging DNA analysis samples and records, the department shall post a copy of the protocol changes on the department's website.

Sec. 405. Not later than December 1, the department shall submit a report to the standard report recipients that includes, but is not limited to, all of the following information:

(a) Sexual assault kit analysis backlog at the beginning of the previous fiscal year.

- (b) The number of sexual assault kits collected or submitted for analysis during the previous fiscal year.
- (c) The number of sexual assault kits analyzed and the number of associated DNA profiles created and uploaded during the previous fiscal year.
- (d) Sexual assault kit analysis backlog at the end of the previous fiscal year.
- (e) The average turnaround time to analyze sexual assault kits and to create and upload associated DNA profiles for the previous fiscal year.

Sec. 406. The department shall provide administrative support for the following grant and community service programs:

- (a) The operations of the automobile theft prevention authority.
- (b) Administration of the Edward Byrne memorial justice assistance program and other grant programs, including the department's community policing efforts.
- (c) Administration of the office of school safety.
- (d) Administration and outreach of the OK2SAY program.

Sec. 407. Not later than March 30, the office of school safety shall provide a school safety report to the legislature and the senate and house fiscal agencies that must include reports of all of the following:

- (a) The incidents of school violence or threats reported to the state police by local law enforcement or local school districts, or received through the Michigan incident crime report (MICR).
- (b) OK2SAY-based incidences and activities.
- (c) Based upon an evaluation of school safety incidents, recommendations on best practices and other safety measures to ensure school safety in this state.

Sec. 408. (1) The department shall make an organized, strategic effort to recruit, onboard, train, and outfit trooper school candidates and other new employees using the funds appropriated in part 1.

(2) The department shall submit a report to the standard report recipients within 60 days of the conclusion of any trooper, motor carrier, or state properties security recruit school. The report must include all of the following:

- (a) The number of veterans and the number of MCOLES-certified police officers who were admitted to and the number who graduated from the recruit school.
- (b) The total number of recruits who were admitted to the recruit school, the number of recruits who graduated from the recruit school, and the location at which each of these recruits is assigned.

(3) The department may use the funds appropriated in part 1 that represent attrition savings to offset the cost of recruiting efforts described under subsection (1).

(4) The unexpended and unencumbered general fund/general purpose funds appropriated in part 1 for training operations must not lapse to the general fund at the end of the fiscal year but must be deposited into the trooper recruit school fund created under section 819b of the Michigan vehicle code, 1949 PA 300, MCL 257.819b.

Sec. 409. (1) From the funds appropriated in part 1, the department shall, in collaboration with the department of civil rights and MCOLES, provide the following training to local police departments or officers free of charge:

- (a) Diversity and cultural awareness and competency.
- (b) Conflict management.
- (c) Use of force on vulnerable individuals, including children, individuals with disabilities, individuals with unmet mental health needs, individuals under the influence of substances, and pregnant individuals.
- (d) Mental health and wellness for law enforcement officers.

(2) The training provided under subsection (1) may be offered online in order to facilitate easy access and may be given by department staff, contractors, or external vendors.

(3) On a quarterly basis, the department shall submit a report to the standard report recipients on the number of officers, by police department, that received training under this section.

Sec. 410. The department, in collaboration with the department of health and human services and the department of education, shall advise on initiatives in schools and other educational organizations that include, but are not limited to, training for educators, teachers, and other personnel in school settings for all of the following:

- (a) Utilization of trauma-informed practices.
- (b) Age-appropriate education and information on human trafficking.
- (c) Age-appropriate education and information on sexual abuse prevention.

Sec. 411. Based on the availability of federal funding and demonstrated need, as indicated by applications submitted to the state court administrative office, the department shall provide \$1,500,000.00 in Byrne justice assistance grant program funding to the judiciary by interdepartmental grant.

MICHIGAN COMMISSION ON LAW ENFORCEMENT STANDARDS

Sec. 501. (1) MCOLES shall establish standards for the selection, employment, training, education, licensing, and licensure revocation of all law enforcement officers and provide the basic law enforcement training curriculum for law enforcement training academy programs statewide.

(2) MCOLES shall maintain staffing and resources necessary to update law enforcement standards within 120 days of the enactment date of any new public acts that affect MCOLES.

(3) From the funds appropriated in part 1, MCOLES, by March 1, shall submit a report to the standard report recipients that includes a summary of MCOLES activities during the prior calendar year. The report required under this subsection must include, but is not limited to, both of the following:

(a) An account of the distribution of training funds administered by MCOLES.

(b) A list of recipients that received training funds under subdivision (a) and the amount received by each recipient and for what purpose it was used.

Sec. 502. The general fund/general purpose funds appropriated in part 1 for public safety officers benefit fund must be deposited into the public safety officers benefit fund created in section 3 of the public safety officers benefit act, 2004 PA 46, MCL 28.633. The general fund/general purpose funds appropriated in part 1 for public safety officers benefit fund and deposited into the public safety officers benefit fund in accordance with section 3 of the public safety officers benefit act, 2004 PA 46, MCL 28.633, and this section must be used to increase the \$25,000.00 benefit payment made to a recipient who dies or is permanently and totally disabled during the fiscal year under section 4 of the public safety officers benefit act, 2004 PA 46, MCL 28.634, to \$50,000.00. All funds in the public safety officers benefit fund are appropriated and available for expenditure in accordance with section 3 of the public safety officers benefit act, 2004 PA 46, MCL 28.633.

Sec. 503. Funds appropriated in part 1 for in-service training must be deposited into the law enforcement officers training fund created in section 11(7) of the Michigan commission on law enforcement standards act, 1965 PA 203, MCL 28.611. All funds in the law enforcement officers training fund are appropriated and available for expenditure to support the implementation of required annual in-service training standards for all licensed law enforcement officers, in accordance with rules promulgated under section 11(2) of the Michigan commission on law enforcement standards act, 1965 PA 203, MCL 28.611.

FIELD SERVICES

Sec. 601. (1) Department enlisted personnel who are employed to enforce traffic laws as provided in section 629e of the Michigan vehicle code, 1949 PA 300, MCL 257.629e, are not prohibited from responding to crimes in progress or other emergency situations and are responsible for making every effort to protect all residents of this state.

(2) The department shall maintain the staffing and resources necessary to continually work to enhance traffic safety throughout this state and shall dedicate a minimum of 455,200 hours to statewide patrol. The department shall work to improve public safety efforts within distressed cities by enhancing data analysis capabilities and identifying crime trends and areas with high occurrence of crime.

(3) The department shall report on the number of residence checks of registered sex offenders conducted, as provided under section 228.

Sec. 602. (1) The department shall identify and apprehend criminals through criminal investigations in this state.

(2) The department shall maintain the staffing and resources necessary to provide a comparable number of hours investigating crimes as the average annual number provided during the preceding 5 fiscal years.

(3) The department shall maintain the staffing and resources necessary to annually meet or exceed a case clearance rate of 62%.

(4) The department shall provide training opportunities to local law enforcement partners with the goal of increasing their knowledge of gambling laws, legal issues, opioid-related investigations, and other emerging law enforcement issues.

(5) The department shall maintain the staffing and resources necessary to investigate the average annual number of opioid-related investigations conducted by multijurisdictional task forces and hometown security teams during the preceding 5 fiscal years. The department shall work to enhance investigative and drug interdiction efforts by enhancing data analysis capabilities and linking investigations among multijurisdictional task forces and hometown security teams.

Sec. 603. (1) The department shall provide protection to this state, its economy, welfare, and vital state-sponsored programs through the prevention and suppression of organized smuggling of untaxed tobacco products in this state, through enforcement of the tobacco products tax act, 1993 PA 327, MCL 205.421 to 205.436, and other laws pertaining to combating criminal activity in this state, and by maintaining a tobacco tax enforcement unit.

(2) The department shall submit an annual report on December 1 to the standard report recipients and to the senate and house appropriations subcommittees on general government that details expenditures and activities related to tobacco tax enforcement for the previous fiscal year.

Sec. 604. The department shall provide fire investigation training and investigative assistance to public safety agencies in this state.

Sec. 605. From the funds appropriated in part 1, the department shall make an organized, strategic effort to recruit trooper school candidates and other new employees that mirror the diverse racial, religious, and cultural backgrounds that make up the communities in this state.

SPECIALIZED SERVICES

Sec. 701. (1) The department shall operate the Michigan intelligence operations center for homeland security as this state's primary federally designated fusion center to receive, analyze, gather, and disseminate threat-related information among federal, state, local, tribal, and private sector partners.

(2) The department shall ensure public safety by providing public and private sector partners with timely and accurate information regarding critical information key resource threats, as reported to or discovered by the Michigan intelligence operations center for homeland security, and shall increase public awareness on how to report suspicious activity through website or telephone communications.

(3) The department shall maintain the staffing and resources necessary to support the cyber section, including the Michigan cyber command center, the computer crimes unit, and the internet crimes against children task force. The department shall maintain the staffing and resources necessary to complete the average annual number of cases completed by the computer crimes unit during the preceding 5 fiscal years. The computer crimes unit shall pursue process improvement initiatives to effectively utilize staff resources in providing investigatory assistance and evidentiary analysis for law enforcement and criminal justice agencies statewide. The department shall maintain the staffing and resources necessary to complete the average annual casework that the Michigan cyber command center completed during the preceding 5 fiscal years.

(4) The department shall maintain the staffing and resources necessary to provide digital forensic analysis services with a goal of decreasing backlogs of digital forensic analysis cases annually until the department maintains a 60-day turnaround time.

Sec. 702. (1) The department shall provide specialized services in support of, and to enhance, local, state, and federal law enforcement operations within this state, in accordance with all applicable state and federal laws and regulations.

(2) The department shall maintain the staffing and resources necessary to provide training to maintain readiness to respond appropriately to at least the average annual number of requests for specialty services which occurred during the preceding 5 fiscal years.

(3) The canine unit shall be available for call out statewide 100% of the time.

(4) The bomb squad unit shall be available for call out statewide 100% of the time.

(5) The emergency support teams shall be available for call out statewide 100% of the time.

(6) The marine services team shall be available for call out statewide 100% of the time.

(7) Aviation services shall be available for call out statewide 100% of the time, unless prohibited by weather or unexpected mechanical breakdowns.

(8) The department shall maintain the staff and resources necessary to provide security services at the State Capitol Complex facilities, the State Secondary Complex, and other state-owned or leased properties, as provided under section 6c of 1935 PA 59, MCL 28.6c. The department shall also maintain the staff and resources necessary to respond to emergencies at the State Capitol Complex, State Secondary Complex, House Office Building, Binsfeld Office Building, Townsend Parking Ramp, Roosevelt Parking Ramp, and other areas as directed. The department shall maintain a goal of annually conducting 35,000 property inspections of state owned and leased facilities.

Sec. 703. (1) The department shall maintain commercial vehicle regulation, school bus inspections, and enforcement activities, including enforcement of requirements concerning size, weight, and load restrictions; operating authority; registration; fuel taxes; transportation of hazardous materials; new entrant operations; commercial driver licenses; and inspections pursuant to the federal motor carrier assistance program.

(2) The department shall maintain the staffing and resources necessary to meet inspection goals consistent with the department's federal motor carrier assistance program activities.

(3) Revenue collected under the motor carrier act, 1933 PA 254, MCL 475.1 to 479.42, must be expended in accordance with that act. Unexpended and unencumbered revenues must not lapse to the general fund but must be carried forward into the subsequent fiscal year.

Sec. 704. (1) The department shall coordinate the mitigation, preparation, response, and recovery activities of municipal, county, state, and federal governments, and other governmental entities, for all hazards, disasters, and emergencies.

(2) The state director of emergency management may expend money appropriated under part 1 to call on any agency or department of this state or any resource of this state to protect life or property or to provide for the health or safety of the population in any area of this state in which the governor proclaims a state of emergency or state of disaster under the emergency management act, 1976 PA 390, MCL 30.401 to 30.421. The state director of emergency management may expend the amounts the director considers necessary to accomplish these purposes. The director shall submit to the state budget director, as soon as possible, a complete report of all actions taken under the authority of this section. The report must contain, as a separate item, a statement of all money expended that is not reimbursable from federal funding. The state budget director shall review the expenditures and submit recommendations to the legislature in regard to any possible need for a supplemental appropriation.

(3) In addition to the funds appropriated in part 1, the department may receive and expend money from local, private, federal, or state sources for the purpose of providing emergency management training to local or private interests and for the purpose of supporting emergency preparedness, response, recovery, and mitigation activity. If additional expenditure authorization in SIGMA is approved by the state budget office under this section, the department and the state budget office shall notify the senate and house appropriations subcommittees on state police and the senate and house fiscal agencies within 10 days after the approval. The notification must include the amount and source of the additional authorization, the date of its approval, and the projected use of the funds to be expended under the authorization. The total amount of federal revenues that may be received and expended under this section and section 232 must not exceed \$750,000,000.00.

(4) The department shall foster, promote, and maintain partnerships to protect this state and homeland from all hazards.

(5) The department shall maintain the staffing and resources necessary to do all of the following:

(a) Serve approximately 105 local emergency management preparedness programs and 88 local emergency planning committees in this state.

(b) Operate and maintain the state's emergency operations center and provide command and control in support of emergency response services.

(c) Maintain readiness, including training and equipment to respond to civil disorders and natural disasters commensurate with the capabilities of fiscal year 2010-2011.

(d) Perform hazardous materials response training.

(6) The department shall conduct a minimum of 3 training sessions to enhance safe response in the event of natural or manmade incidents, emergencies, or disasters.

(7) In addition to the funds appropriated in part 1, there is appropriated from the disaster and emergency contingency fund an amount necessary to cover costs related to any disaster or emergency as defined in the emergency management act, 1976 PA 390, MCL 30.401 to 30.421. Funds must be expended as provided under sections 18 and 19 of the emergency management act, 1976 PA 390, MCL 30.418 and 30.419, and R 30.51 to R 30.61 of the Michigan Administrative Code.

(8) If, in a particular month, expenditures are made from the disaster and emergency contingency fund, the department shall submit a report for that month to the senate and house fiscal agencies detailing the purpose of the expenditures. The monthly report required under this subsection must be submitted within 30 days after the end of the month during which funds from the disaster and emergency contingency fund were expended.

(9) The department shall track and report on a biannual basis, as provided in section 228 of this part, the status of the department's assessment of critical infrastructure vulnerabilities, including the protection status of critical infrastructure items identified by the assessment. The department is not required to report any information that could compromise the security of any critical infrastructure.

(10) Revenue collected by the department under this section for the emergency management and homeland security training center that is unexpended and unencumbered at the end of the fiscal year must not lapse to the general fund, but must be carried forward into the subsequent fiscal year.

Sec. 705. The department shall provide for the planning, administration, and implementation of highway traffic safety programs to save lives and reduce injuries on roads in this state, in partnership with other public and private organizations.

Sec. 706. (1) Funds appropriated in part 1 for the secondary road patrol program must be used to provide grants to sheriffs under the secondary road patrol program described under section 76 of 1846 RS 14, MCL 51.76.

(2) The sheriffs' duties under the secondary road patrol program, as outlined in section 76(2) of 1846 RS 14, MCL 51.76, are to do all of the following:

- (a) Patrol and monitor traffic violations.
- (b) Enforce the criminal laws of this state, violations of which are observed by or brought to the attention of the sheriff's department while patrolling and monitoring secondary roads.
- (c) Investigate accidents involving motor vehicles.
- (d) Provide emergency assistance to persons on or near a highway or road the sheriff is patrolling and monitoring.

Sec. 707. The department shall serve as an active liaison between the department of technology, management, and budget and state, local, regional, and federal public safety agencies on matters pertaining to the Michigan public safety communications system and shall report user issues to the department of technology, management, and budget.

ONE-TIME APPROPRIATIONS

Sec. 801. (1) From the funds appropriated in part 1 for cold case investigations, the department shall create and administer a competitive grant program that provides grants not to exceed \$200,000.00 to Michigan universities that operate a cold case program. As used in this section, "cold case program" means an academic program administered by a university that provides, but is not limited to, workforce development training related to criminal investigation tactics, forensic science and law, and review of cold homicide and missing persons cases.

(2) The department shall not approve a grant application under this section if a university does not satisfy either of the following:

- (a) The university has operated a cold case program with the department for over a year as of October 1, 2024.
- (b) The university will begin a cold case program with the department not later than October 1, 2026.
- (3) Funds disbursed under this section must be used only for programmatic and operational expenses of the university's cold case program.

Sec. 802. (1) From the funds appropriated in part 1 for law enforcement training for communication with limited English speaking communities and those deaf and hard of hearing, the department grants and community services division shall create and administer a block grant program to support training provided by an entity holding an oral transliteration certificate. The oral transliteration certificate must be held by an officer, board member, or principal of the entity and must be held for at least 1 year. Any training course provided for under this section must be certified by the International Accreditors for Continuing Education and Training. The purpose of the grant is to train officers to better assist in their communication with members of the public who experience a language barrier or may be hard of hearing or deaf.

(2) The unexpended funds appropriated in part 1 for law enforcement training for communication with limited English speaking communities and those deaf and hard of hearing are designated as a work project appropriation, and any unencumbered or unallotted funds must not lapse at the end of the fiscal year and must be available for expenditures for projects under this section until the projects have been completed. The following is in compliance with section 451a(1) of the management and budget act, 1984 PA 431, MCL 18.145a:

- (a) The purpose of the project is the training of law enforcement officers.
- (b) The project will be accomplished by utilizing contracts with service providers.
- (c) The estimated cost of this project is \$500,000.00.
- (d) The tentative completion date for the work project is September 30, 2029.
- (3) The department may use the funds appropriated in part 1 for law enforcement training for communicating with limited English speaking communities and those deaf and hard of hearing for costs associated with the administration and oversight of the block grant program.

Sec. 803. (1) From the funds appropriated in part 1 for Michigan public safety critical incident mapping grant, the department shall create and administer a competitive grant program to assist counties in their development of critical incident mapping. An individual grant to a county must not exceed \$25,000.00 and a county is only eligible to only receive up to 3 individual grants.

(2) A county that is awarded a grant under this section shall only use the funds only to implement critical incident mapping that satisfies all of the following:

- (a) Is compatible with platforms and applications used by local, state, and federal public safety officials.
- (b) Does not require the purchase of additional software for use.

- (c) Is provided in a printable format.
- (d) Is verified for accuracy through a walk-through of a building and grounds.
- (e) Is oriented true north.
- (f) Includes accurate floor plan information overlaid on current aerial imagery of a building.
- (g) Includes site-specific labeling that matches the structure of the building, including room labels, hallway names, external door or stairwell numbers, locations of hazards, key utility locations, key boxes, automated external defibrillators, and trauma kits.
- (h) Includes site-specific labeling that matches the building grounds, including parking areas, athletic fields, surrounding roads, and neighboring properties.
- (i) Includes a gridded overlay with x/y coordinates.
- (j) Includes information that best assists first responders in an emergency, including, but not limited to, the following information:
 - (i) Building numbers.
 - (ii) Floors.
 - (iii) Suite designations.
 - (iv) Room numbers.
 - (v) Other available relevant location information for each building.
- (3) The department shall make grant payments to counties under this section on a schedule as determined by the department.
