<p>expenditures that are outside of the project purpose, as stated in the executed grant agreement, from appropriations in part 1.</p> <p>(c) Unless otherwise specified in department policy, a requirement that funds appropriated for the grants described in subsection (1) may be used only for expenditures that occur on or after the effective date of this act.</p> <p>(d) At the discretion of the department, a provision for an initial disbursement of 50% to the grant recipient on execution of the grant agreement consistent with part II, chapter 10, section 200 of the Financial Management Guide.</p> <p>(e) A requirement that after an initial 50% disbursement under subdivision (d), additional funds will be disbursed only after verification that the initial payment has been fully expended in accordance with the project purpose. The department shall disburse the remaining funds after the grantee has provided sufficient documentation, as determined by the department, to verify that all expenditures were made in accordance with the project purpose.</p> <p>(f) A requirement for reporting by the grant recipient to the department that provides the status of the project and an accounting of all funds expended by the grant recipient, as determined by the department.</p> <p>(g) A claw-back provision that allows the department of treasury to recoup or otherwise collect any funds that are declined, unspent, or otherwise misused.</p> <p>(5) If appropriate to improve the administration or oversight of a grant described in subsection (1), the department may adopt a memorandum of understanding with another state department to perform the required duties under this section.</p> <p>(6) A grant recipient shall respond to all reasonable information requests from the department related to grant expenditures and retain grant records for not less than 7 years, and the grant may be subject to monitoring, site visits, and audits as determined by the department. The grant agreement required under this section must include signed assurance by the chief executive officer or other executive officer of the grant recipient that the requirements of this subsection will be met.</p>			
--	--	--	--

DEPARTMENT OF LICENSING AND REGULATORY AFFAIRS

(7) The grant recipient shall expend all funds awarded and complete all projects not later than September 30, 2029. If at that time any unexpended funds remain, the grant recipient shall return those funds to the state treasury. If a grant recipient does not provide information sufficient to execute a grant agreement not later than June 1, 2025, the department shall return funds associated with the grant to the state treasury.

(8) Any funds that are granted to a state department are appropriated in that department for the purpose of the intended grant.

(9) The state budget director may, on a case-by-case basis, extend the deadline in subsection (7) on request by a grant recipient. The state budget director shall notify the chairs of the house and senate appropriations committees not later than 5 days after an extension is granted.

(10) Subject to subsection (11), the department shall post a report in a publicly accessible location on its website not later than March 15, 2025. The report must list the grant recipient, project purpose, and location of the project for each grant described in subsection (1), the status of funds allocated and disbursed under the grant agreement, and the legislative sponsor, if applicable. The department shall update the report not later than June 15, 2025 and again not later than September 15, 2025, and post the updated reports. At each posting of the report, the department shall include the most comprehensive information it has available at the time of posting for grants awarded.

(11) If the state budget office determines that it is more efficient for the state budget office to compile the information required under subsection (10) for all of the affected departments and post a report of the compiled information by the date required under subsection (10) than for the individual departments to comply with subsection (10), the state budget office may compile that information and post that report.

(12) As applicable, the legislative sponsor of a grant described in subsection (1) shall comply with all applicable laws concerning conflicts of interest in seeking a direct grant. A legislative sponsor shall not seek a grant for a recipient if a conflict of interest exists.

DEPARTMENT OF LICENSING AND REGULATORY AFFAIRS

	(13) If the department reasonably determines that the funds allocated for an executed grant agreement under this section were misused or that use of the funds was misrepresented by the grant recipient, the department shall not award any additional funds under the executed grant agreement and shall refer the grant for review following internal audit protocols.			
31.	Employee performance monitoring. It is the intent of the legislature that the department establish an employee performance monitoring process that is consistent throughout the department, in addition to current civil service commission evaluations. The department shall submit an annual report on changes to the employee performance monitoring process that are planned or implemented, as well as the number of employee evaluations performed. 58.	<p>Michigan Saves. From the funds appropriated in part 1 for Michigan saves, the Michigan public service commission may award a \$5,500,000.00 grant to a nonprofit green bank with experience in leveraging energy-efficiency and renewable energy improvements, for the purpose of making such loans more affordable for Michigan families, businesses, and public entities. Grant funds may be used to support a loan loss reserve fund or other comparable financial instrument to further leverage private investment in clean energy improvements.</p>	Sec. 1003.	<i>Executive</i>	Deleted.
			<i>Senate</i>	<p>Modified. Moved to Sec. 303.</p> <p>From the funds appropriated in part 1 for Michigan saves, the Michigan public service commission may award a \$4,000,000.00 grant to a nonprofit green bank with experience in leveraging energy-efficiency and renewable energy improvements, for the purpose of making such loans more affordable for Michigan families, businesses, and public entities. Grant funds may be used to support a loan loss reserve fund or other comparable financial instrument to further leverage private investment in clean energy improvements.</p>
			<i>House</i>	<p>Sec. 1003. Modified.</p> <p>From the funds appropriated in part 1 for Michigan saves, the Michigan public service commission may award a \$5,500,000.00 \$5,000,000.00 grant to a nonprofit green bank with experience in leveraging energy-efficiency and renewable energy improvements, for the purpose of making such clean energy improvement loans more affordable for Michigan families, businesses, and public entities. Grant funds may be used to support a loan loss reserve fund or other comparable financial instrument to further leverage private investment in clean energy improvements or on-site wastewater system replacements or repairs.</p>
			<i>Conference</i>	<p>Sec. 1004. Modified.</p> <p>(1) From the funds appropriated in part 1 for Michigan saves, the Michigan public service commission may award a \$5,000,000.00 grant to a nonprofit green bank with experience in leveraging energy-efficiency and renewable energy improvements, for the purpose of making clean energy</p>
