preceding the effective date of this act. The department may deduct the cost of background checks and any other efforts performed as part of this verification from the amount of the designated grant award.

(e) Establish a standard timeline to review all documents submitted by grant recipients and provide a response within 45 business days stating whether submitted documents by a grant recipient are sufficient or in need of additional information.

(f) Make an initial disbursement of up to 50% of the grant to the grant recipient not later than 60 days after a grant agreement has been executed. Disbursements must be consistent with part II, chapter 10, section 200 of the Financial Management Guide.

(g) Disburse the funds remaining after the initial disbursement under subdivision (f) per the grant disbursement schedule in the executed grant agreement on a reimbursement basis after the grantee has provided sufficient documentation, as determined by the department, to verify that expenditures were made in accordance with the project purpose.

(3) A sponsor of a grant described in subsection (1) must be a legislator or the department. A legislative sponsor must be identified through a letter submitted by that legislator's office to the department and state budget director containing the name of the grant recipient, the intended amount of the grant, a certification from that legislator that the grant is for a public purpose, and specific citation of the section and subsection of the public act that authorizes the grant, as applicable. If a legislative sponsor is not identified before December 13, 2024, the department shall do 1 of the following:

(a) Identify the department as the sponsor.

(b) Decline to execute the grant agreement and lapse the associated funds at the end of the fiscal year.

(4) An executed grant agreement under this section between the department and a grant recipient must include at least all of the following:

(a) Develop a standard application process using the electronic submission portal developed by the state budget office, grantee reporting requirements, and any other necessary documentation, including sponsorship information as specified under subsection (4). If the electronic submission portal identified in this subdivision is not fully functional by 60 days after the effective date of this act, the state budget office shall ensure that the standard application process and form are available promptly and paper submission is acceptable. The state budget office shall promptly submit application material received to the department for departmental review.(b) Establish a process to review, complete, and execute a grant agreement with a grant recipient. The department shall not execute a grant agreement unless all necessary documentation has been submitted and reviewed.

(c) Verify to the extent possible that a grant recipient will use funds for a public purpose that serves the economic prosperity, health, safety, or general welfare of the residents of this state.

(d) Review and verify all necessary information to ensure the grant recipient is reasonably able to execute the grant agreement, perform its fiduciary duty, and comply with all applicable state and federal statutes. The department may deduct the cost of background checks and any other efforts performed as part of this verification from the amount of the designated grant award.

(e) Establish a standard timeline to review all documents submitted by grant recipients and provide a response within 45 business days stating whether submitted documents by a grant recipient are sufficient or in need of additional information. If additional information is needed, the 60-day deadline in subsection (2) is considered to have been met if a sponsor has been identified for that grant. If a grant recipient does not provide information sufficient to execute a grant agreement not later than 60 days after being notified by the department of grant approval, the department shall return funds associated with the grant to the state treasury.

the chief executive officer or other executive officer of the grant recipient that the requirements of this subsection will be met.

(7) The grant recipient shall expend all funds awarded and complete all projects not later than September 30, 2029. If at that time any unexpended funds remain, the grant recipient shall return those funds to the state treasury. If a grant recipient does not provide information sufficient to execute a grant agreement not later than June 1, 2025, the department shall return funds associated with the grant to the state treasury.

(8) Any funds that are granted to a state department are appropriated in that department for the purpose of the intended grant.

(9) The state budget director may, on a case-by-case basis, extend the deadline in subsection (7) on request by a grant recipient. The state budget director shall notify the chairs of the senate and house of representatives appropriations committees not later than 5 days after an extension is granted.

(10) Except as otherwise provided in subsection (11), beginning March 15 of the current fiscal year, the department shall post a report in a publicly accessible location on its website. The report must list the grant recipient, project purpose, and location of the project for each grant described in subsection (1), the status of funds allocated and disbursed under the grant agreement, and the legislative sponsor, if applicable. The department shall update the report and shall post an updated report not later than June 15 of the current fiscal year and again not later than September 15 of the current fiscal year. The department shall include in the report the most comprehensive information the department has available at the time of posting for grants awarded.

(11) If the state budget office determines that it is more efficient for the state budget office to compile all affected departments' information and post a report of the compiled information rather than the report required under subsection (10) being posted by individual departments, the state budget office may compile that information across all affected departments and

(i) Identify the department or the state budget office as the sponsor.

(ii) Decline to execute the grant agreement and lapse the associated funds at the end of the fiscal year.

(f) At any point during the fiscal year, legislative grant sponsors may be added to a grant request.

(5) An executed grant agreement under this section between the department and a grant recipient must include at least all of the following:

(a) All necessary identifying information for the grant recipient, including any tax and financial information for the department to administer funds under this section.

(b) A description of the project for which the grant funds will be expended, including tentative timelines and the estimated budget. The department shall not reimburse expenditures that are outside of the project purpose, as stated in the executed grant agreement, from appropriations in part 1. The grantee shall return to the treasury any interest in excess of \$1,000.00 earned on the grant funds while unexpended and in possession of the grantee.

(c) Unless otherwise specified in department policy, a requirement that funds appropriated for the grants described in subsection (1) may be used only for expenditures that occur on or after the effective date of this act.

(d) A requirement for reporting by the grant recipient to the department and the legislative sponsor that provides the status of the project and an accounting of all funds expended by the grant recipient, as determined by the department.

(e) A claw-back provision that allows the department of treasury to recoup or otherwise collect any funds that are declined, unspent, or otherwise misused.

If a grant recipient does not provide information sufficient to execute a grant agreement not later than 60 days after being notified by the department of grant approval, the department shall return funds associated with the grant to the state treasury.

(6) If appropriate to improve the administration or oversight of a grant described in subsection (1), the department may adopt a memorandum of understanding with another state department to perform the required duties under this section.

(7) A grant recipient shall respond to all reasonable information requests from the department related to grant expenditures and retain grant records for not less than 7 years, and the grant may be subject to monitoring, site visits, and audits as determined by the department. The grant agreement required under this section must include signed assurance by the chief executive officer or other executive officer of the grant recipient that the requirements of this subsection will be met.

(8) The grant recipient shall expend all funds awarded and complete all projects not later than September 30, 2030. If at that time any unexpended funds remain, the grant recipient shall return those funds to the state treasury. (9) Any funds that are granted to a state department are appropriated in that department for the purpose of the intended grant.

(10) The state budget director may, on a case-by-case basis, extend the deadline in subsection (8) on request by a grant recipient if a sponsor has been identified for the grant.
