treasury to recoup or otherwise collect any grant money that is declined, unspent, or otherwise misused.

(f) The documents publicly disclosed under subsection (1).

(4) If appropriate to improve the administration or oversight of a grant described in subsection (1), the department may adopt a memorandum of understanding with another state department to perform the required duties under this section.

(5) A grant recipient shall respond to all reasonable information requests from the department related to grant expenditures and retain grant records for not less than 7 years, and the grant may be subject to monitoring, site visits, and audit as determined by the department. The grant agreement required under this section must include signed assurance by the chief executive officer or other executive officer of the grant recipient authorized to bind the grant recipient that the requirements of this subsection will be met.

(6) The grant recipient shall expend all grant money awarded and complete all projects not later than September 30, 2030. If at that time any unexpended money remains, the grant recipient shall return that money to the state treasury. If a grant recipient does not provide information sufficient to execute a grant agreement not later than June 1, 2026, the department shall return money associated with the grant to the state treasury.

(7) Any grant money that is awarded to a state department is appropriated in that department for the purpose of the intended grant.

(8) Except as otherwise provided in subsection (9), beginning March 15 of the current fiscal year, the department shall post a report in a publicly accessible location on its website. The report must list the grant recipient, project purpose, and location of the project for each grant described in subsection (1), the status of money allocated and disbursed under the grant agreement, and the legislative sponsor, if applicable. The department shall update the report and post the updated report in a publicly accessible location on its website not later than June 15 of the current fiscal year and again not later than September 15 of the current fiscal year. The department shall include in the report the most comprehensive information the department has available at the time of posting for grants awarded.

(9) If the state budget office determines that it is more
