A legislative sponsor must be identified through a letter submitted by that legislator's office to the department and state budget director containing the name of the grant recipient, the intended amount of the grant, a certification from that legislator that the grant is for a public purpose, and specific citation of the section and subsection of the public act that authorizes the grant, as applicable. If a legislative sponsor is not identified before December 13, 2024, the department shall do 1 of the following:</p> <p>(a) Identify the department as the sponsor.</p> <p>(b) Decline to execute the grant agreement and lapse the associated funds at the end of the fiscal year.</p> <p>(4) An executed grant agreement under this section between the department and a grant recipient must include at least all of the following:</p> <p>(a) All necessary identifying information for the grant recipient, including any tax and financial information for the department to administer funds under this section.</p> <p>(b) A description of the project for which the grant funds will be expended, including tentative timelines and the estimated budget. The department shall not reimburse expenditures that are outside of the project purpose, as stated in the executed grant agreement, from appropriations in part 1. The grantee shall return to the treasury any interest in excess of \$1,000.00</p>		<p>(d) Disburse the grant money per the grant disbursement schedule in the executed grant agreement on a reimbursement basis after the grantee has provided sufficient documentation, as determined by the department, to verify that expenditures were made in accordance with the project purpose.</p> <p>(e) If the state budget director determines that information provided by the grantee does not meet the disclosure requirements, that the grant will be used to pay a tax lien, delinquent tax, or other obligation owed to this state, or that the grant will create a conflict of interest, the department shall not release the grant money to the grantee. Money that is not released under this subdivision lapses at the end of the fiscal year. There is not a conflict of interest if the sponsoring legislator certifies that the sponsoring legislator's immediate family members, legislative staff members that have worked for the sponsoring legislator within the past 2 years, and the sponsoring legislator do not have a direct or indirect pecuniary interest in the legislatively directed spending item.</p> <p>(3) An executed grant agreement under this section between the department and a grant recipient must include at least all of the following:</p> <p>(a) All necessary identifying information for the grant recipient, including any tax and financial information necessary for the department to administer grant money under this section.</p> <p>(b) A description of the project for which the grant money will be expended, including tentative timelines and the estimated budget. Project budget must include how all grant money will be used and must indicate if any grant money will be provided to a third party or subrecipient. The department shall not reimburse expenditures that are outside of the project purpose, as stated in the executed grant agreement, from appropriations in part 1. The grantee shall return to the state treasury any interest in excess of \$1,000.00 earned on the grant money while unexpended and in possession of the grantee.</p>

				<p>(7) Any grant money that is awarded to a state department is appropriated in that department for the purpose of the intended grant.</p> <p>(8) Except as otherwise provided in subsection (9), beginning March 15 of the current fiscal year, the department shall post a report in a publicly accessible location on its website. The report must list the grant recipient, project purpose, and location of the project for each grant described in subsection (1), the status of money allocated and disbursed under the grant agreement, and the legislative sponsor, if applicable. The department shall update the report and post the updated report in a publicly accessible location on its website not later than June 15 of the current fiscal year and again not later than September 15 of the current fiscal year. The department shall include in the report the most comprehensive information the department has available at the time of posting for grants awarded.</p> <p>(9) If the state budget office determines that it is more efficient for the state budget office to compile all affected departments' information and post a report of the compiled information rather than the report required under subsection (8) being posted by individual departments, the state budget office may compile that information across all affected departments and post the compiled report and any updates on the same time schedule as identified in subsection (8).</p> <p>(10) If the department reasonably determines that the money allocated for an executed grant agreement under this section was misused or that use of the money was misrepresented by the grant recipient, the department shall not award any additional funds under the executed grant agreement and shall refer the grant for review following internal audit protocols, which may include referral for criminal investigation.</p>
