RE: Senate and House Revenue Sharing Proposals for FY 2021-22

Revenue sharing proposals for fiscal year (FY) 2021-22 were included in the General Government budget recommendations passed by the House of Representatives in House Bill 4398 (H-3), and by the Senate in Senate Bill 82 (S-3). The primary differences between the House and Senate bills were in the amount appropriated for nonconstitutional revenue sharing for cities, villages, townships, and counties, and differences in grant programs, discussed below. Each proposal included the constitutional revenue sharing estimate for FY 2021-22 based on the January 2021 consensus revenue estimates. The Conference Committee on General Government will resolve the revenue sharing differences between the House and Senate and incorporate the May 21, 2021 consensus estimate for constitutional revenue sharing in FY 2021-22. The House and Senate proposals are summarized in [Table 1](#) and discussed further below.

¹⁾ Based on the January 2021 consensus revenue estimates. The May 2021 consensus conference revised the constitutional revenue sharing estimates from \$892,133,300 to \$940,730,600 in FY 2020-21, and from \$867,302,100 to \$912,040,400 in FY 2021-22. The revised estimates will be used for the final budget.

Estimates of revenue sharing payments to individual local units of government under the House and Senate proposals for FY 2021-22 and the January 2021 consensus revenue estimates are included in the Attachments. [Attachment A](#) summarizes the payments by type of local unit, [Attachment B](#) lists estimated payments to cities, village, and townships, and [Attachment C](#) shows estimated payments to counties.

Constitutional Revenue Sharing

Constitutional revenue sharing pays each city, village, and township (CVT) 15% of the sales tax levied at a rate of 4% on a per capita basis. Estimates of the amount of constitutional revenue sharing are made at each consensus revenue estimating conference. The January estimate is used for the Governor's recommendation and initial House and Senate action for the budget for the following fiscal year. The May estimate is used to set the appropriation in the final budget bill. The estimate of

constitutional revenue sharing in the current fiscal year also is revised. Actual constitutional revenue sharing payments are based on actual sales tax collections.

From January 2021 to May 2021, the consensus estimates of constitutional revenue sharing increased for both FY 2020-21 and FY 2021-22. These revisions changed the expected growth rates for constitutional revenue sharing. The January 2021 estimate of \$892,133,300 in FY 2020-21 projected 4.9% growth over FY 2019-20; however, the May 2021 estimate of \$940,730,600 in FY 2020-21 reflects 10.6% growth over FY 2019-20. The estimate of constitutional revenue sharing in FY 2021-22 increased from the January figure of \$867,302,100 (2.8% below the estimate for FY 2020-21) to \$912,040,400, 3.0% or \$28,690,200 below the revised estimate for FY 2020-21. [Table 2](#) shows the recent history of constitutional revenue sharing payments and the May 2021 estimates of constitutional revenue sharing for FY 2020-21 and FY 2021-22.

Nonconstitutional Revenue Sharing Payments to Cities, Villages, and Townships

The House and the Senate would increase nonconstitutional revenue sharing to cities, villages, and townships (CVTs) that currently are eligible for nonconstitutional or "statutory" payments. The proposals for FY 2021-22 would both distribute the payments in the same manner, although they differ in the amount of funding.

The Governor's budget recommendation for FY 2021-22 granted each local unit a 2.0% increase from FY 2020-21. This would bring the total appropriation for CVT revenue sharing from \$261,024,600 to \$266,245,100. The Governor designated the \$5,220,500 increase as one-time funding. The Senate included the same 2.0% increase but included the increase in the ongoing appropriation. The House included a 1.0% increase, designated as one-time funding, bringing the total CVT revenue sharing appropriation to \$263,634,900. The budget for FY 2020-21 included a requirement that any CVT with an underfunded retirement pension benefit system must dedicate any increase from the previous year to funding that system. The Governor's recommendation had removed that requirement, and the Senate and House proposals maintained the current requirement.

In either case, the disbursements would be distributed in the same manner as the current total nonconstitutional revenue sharing payments to CVTs, of which 93.5% go to cities, 1.5% to villages, and 5.0% to townships. This reflects the lingering impact of the prior statutory revenue sharing formula, which tended to direct payments to local units based on low taxable value, low millage yield, high unit population, and high relative tax effort. The estimated payments for all CVT revenue sharing programs under the Senate and House proposals are shown in [Attachment B](#).

Revenue Sharing Payments to Counties

Counties that have completed scheduled withdrawals from their revenue sharing reserve funds are eligible for full-or part-year State revenue sharing payments. The revenue sharing payments to

counties are made through two line items: county revenue sharing, which is distributed to all eligible counties, and the county incentive program, which requires each county to complete accountability and transparency requirements in order to qualify for its full payment. The statute that governs revenue sharing payments to counties does not provide for any increase in payments from year to year. Beginning in FY 2014-15, State appropriations for these programs were sufficient to avoid the proration of payments to counties that occurred in several preceding years, which resulted in a 25.7% increase. In future years, payments have been increased to levels above 100.0% of the amount required by statute. In the budget for FY 2020-21, the total amount for eligible counties was equal to 104.5619% of the payments required by statute.

For FY 2021-22, the Governor recommended giving each eligible county approximately a 2.0% increase in total revenue sharing payments. Each county would receive 106.6435% of the payments required by statute. The increase of \$4,529,500 to county revenue sharing was designated as one-time funding. The Senate proposal concurred with the 2.0% increase but included the increased funding in the ongoing county revenue sharing appropriation. The House proposal increased funding for all counties by 1.0%, giving eligible counties 105.5981% of the payments required by statute, and designated the increase as one-time funding. The budget for FY 2020-21 included a requirement that any county with an underfunded retirement pension benefit system must dedicate any increase from the previous year to funding that system. The Governor's recommendation had removed that requirement, and the Senate and House proposals maintained the current requirement.

The Governor, House, and Senate also increased funding for revenue sharing payments to counties by approximately \$447,800 in FY 2021-22 to cover the cost of Leelanau County, which will be eligible for its first full-year payment under the programs. The House and Senate county revenue sharing proposals are summarized in [Table 3](#).

Table 3

County Revenue Sharing and the County Incentive Program House and Senate Recommendations for FY 2019-20			
Line Items	House	Senate	Difference Senate Less House
County Revenue Sharing	\$185,828,300	\$188,097,900	\$2,269,600

Total	\$229,247,100	\$231,516,700	\$2,269,600

Grant Programs

The Senate proposal would fund grants for Financially Distressed Cities, Villages, or Townships at \$2.5 million in FY 2021-22, the same amount as in FY 2020-21. The House proposal would reduce the program by \$533,000 to \$1,967,000. The Senate and House proposals would maintain the requirements of the program. The House proposed a grant to reimburse CVTs and counties that did not receive a statutory revenue sharing payment in December 2020 because they had not completed all reporting requirements if they completed the requirements by February 1, 2021.

The FY 2019-20, all CVTs and counties had their statutory revenue sharing payments reduced by the amount of their August payment. Then all units received a grant from the Coronavirus Relief Local Government Grant (CRLGG) program in an amount of approximately 155% of the amount cut. The CRLGG funds were from Federal Coronavirus Relief Fund money and had to be used for costs related to the COVID-19 public health emergency. Some local governments did not spend all of the CRLGG grants and returned some or all of the grant amounts. The Senate and House proposals would provide grant funding to reimburse those local units of government. The Senate proposed to use \$433,000 to fully reimburse any local units that returned funds. The House proposal is for \$290,000 and would limit reimbursements to the amount of actual loss from the reduction in their August 2020 revenue sharing payments.

The grant programs in the House budget recommendation were split into four payments. As such, the bill that passed the House had roughly one-quarter of the intended payment. To make comparisons easier, this memo and accompanying tables show the intended annual amounts for the grants.

- 1) Estimates for FY 2020-21 and FY 2021-22 are based on consensus sales tax estimates adopted at the January 2021 Consensus Revenue Estimating Conference and the estimated payments assuming that each local government qualifies for the maximum payment for which it is eligible.
- 2) Includes funding for counties that returned to revenue sharing in FY 2020-21 for the first part year of payments.
- 3) The grant program is for the Financially Distressed CVTs program in FY 2020-21 and FY 2021-22. The Senate recommendation also includes Coronavirus Relief Local Government Grant (CRLGG) Reimbursements. The House recommendation includes CRLGG Reimbursements and reimbursements for local units that missed their December 2020 statutory revenue sharing payment. To aid in comparison, the grant amounts for the House proposal are shown as annual amounts.
